RE: School Bus Cancellation Notice

On occasion the cancellation of school bus service due to inclement weather, extreme temperatures and/or poor road conditions may be required.

To ensure all education partners (staff, parents and students) understand how they can be informed of any service cancellation, please take the appropriate steps to distribute the attached [School Bus Cancellation Notice](#).

Suggestions for sharing the information include but are not limited to:

- Sending copies home with students;
- Sending copies home in Report Card envelopes;
- Including notice in school newsletters and/or on school websites;
- Posting Notice in centralized locations (hallways, staff rooms);

A decision to cancel school bus transportation may be **system wide** (where all buses in York Region are cancelled) or **municipality specific** (where buses in one or more municipalities are cancelled).

Parents, students and school staff are asked to access local radio and television stations after 6:00 a.m. to receive bus cancellation information. A bus cancellation message will also be available at www.schoolbuscity.com and 1-877-330-3001.

Please note the cancellation of regular school bus service *is not* applicable to School Charters as *school administration* is responsible for canceling these arrangements.

Student Transportation Services thanks you for your efforts to distribute this information as we continually strive to improve service levels to our schools and students.
