GRADE 8 ELECTIVES DAY

On Wednesday, November 4th, 2009, we are planning, once again, to host the Grade 8 Elective Day as part of the transition plan for students entering high school. (This will take place during Periods 2 and 3.) This day coincides with the Grade 9 Take Your Kid to Work Day when the Grade 9 students are out of the building.

Grade 9 teachers may be scheduled to cover classes for the teachers directly involved in the electives activities. Details to come. (Hoffer)

ECOSCHOOLS TEAM

During DEAR time on Fridays, create a softer atmosphere by turning off some or all of your classroom lights as the natural lighting allows. Please remember to turn off your classroom lights every lunch period and after school when no one is in the room. It makes a big difference to our overall energy consumption. Thank you from the EcoSchools team.
