### NEWS AND NOTES:

#### THANK YOU TO:

Pam Blackert for co-ordinating our Awards Assembly, and to our Caretaking Staff for Assembly and Parent Interviews set up. (Admin)  
 Jennifer Ley and our student mentors for their help during the evening. (Admin)

Teresa Chan for her Art Display/Bake Sale. (Admin)

All Staff who assisted with the Awards Assembly. (Admin)

I would like to thank all those staff members who assisted me with the 2009 Awards Assembly. It wouldn't have gone so smoothly without your help. I would also like to send a huge thank you to our wonderful Caretakers. What a day! Awards Assembly, Awards Reception, Parents' Night, Art Show and a University/College Info Session all of which they were involved with setting up and tearing down. (as well as their normal duties) I am so lucky to have such a great group of helpers. Thank you. (Blackert)

### GRADE 8 ELECTIVES DAY

On Wednesday, November 4th, 2009, we are planning, once again, to host the Grade 8 Elective Day as part of the transition plan for students entering high school. (This will take place during Periods 2 and 3.) This day coincides with the Grade 9 Take Your Kid to Work Day when the Grade 9 students are out of the building.

Grade 9 teachers may be scheduled to cover classes for the teachers directly involved in the electives activities. Details to come. (Hoffer)

### ECOSCHOOLS TEAM

GOOS paper?!

**Good On One Side**

Every time you photocopy, plan to use both sides of the paper. If you have any errors, or left over sheets of one-sided copies, put them in a bin marked GOOS paper. Students can use it as scrap paper, you can use it in your office. Double your use of each sheet. It's good for the environment.

Thank you from the EcoSchools team.
