NEWS AND NOTES:

THANK YOU:

To Jeff Masterson and the Transition Team for another successful Grade 9 Transition Day. (Admin)

THE SIXTH ANNUAL CASE OF DISTINCTION CEREMONY:

A ceremony will be held in the KCSS foyer on Saturday, October 3, 2009, from 9:45 a.m. – 12:00 p.m. to induct the following people into the Case of Distinction. There is the possibility of the inductees being willing to speak to some students or entire classes on Friday, October 2, regarding their particular field of endeavour. Staff who are interested in having one of the inductees come and speak to students should see Teresa Micone.

1. Kelly Underhill (1977) is the director of a large cancer centre, chairs a number of hospital and regional health care committees, and sits on Senator Baucus' Montana health reform advisory committee. She is a noted cancer-care specialist in the States.
2. Dr. Chris Castel (1972) is a Research Professor at Koriyama Institute of Health Sciences, Educational Foundation Koriyama Tohto Academy, Fukushima, Japan, as well as a well-known pain management and acupuncture specialist in the States.
3. Jon Brooks (1987) is a Grammy-winning Canadian song-writer and singer. He has offered to speak to Tom Walker's music students.
4. Doug Smith (1963) has been a visiting professor of Business Education at universities from Saskatchewan to South Carolina, from Germany to London, England. He has constructed many significant business models for industry and acted as a consultant to many corporations and been co-editor of a major business publication in the States.
