*May 10<sup>th</sup> 2007*

*5pm*

*The King City  
Secondary  
School*

*Central  
Courtyard.*

## Agenda

*You are cordially invited to attend the official unveiling of our contemporary “Totem Pole Sculpture”. This joint venture between Windham Ridge Public School and King City Secondary School began in the 2005-2006 school year. The “Totem Pole Sculpture”, completed by students from grades 4 to 12, link these two schools with visual symbols of their chosen character traits (teamwork, perseverance, optimism, etc.) . These traits were certainly demonstrated as students worked towards the completion of their project!*

*A smooth transition from elementary school to high school to graduation is vital to a student’s academic success.*

*Join us in the celebration!*

*~ Welcome and Host ~*

Ms. T. Chan,  
Visual Arts Head, King City S.S.
